2. A ~~copy~~ printed copy of the Admn Report received from the press today is perused. Reference is invited to para 3 of the Report, which relates to "Inspections". The D.C has furnished ~~stated~~ therein information ~~that~~ about the inspection of Major Muzrai Institutions by himself and the Deputy Commrs of all the districts except those of Hassan and Kolar districts. He has not mentioned anything about the inspection ~~book~~ of Major Institutions by the Deputy Commrs of these two districts. It was therefore inferred that the D.C of Kolar and Hassan districts did not appear to have inspected any institutions at all during the ~~Calendar~~ year, and it was observed accordingly in the Govt Notices.

3. The D.C Kolar has pointed out that the ~~fact~~ fact about his having inspected 14 institutions in the district during the year in question has been mentioned in para 24 of the Admn Report of the Kolar District and Statement XI of the Appendix thereto. But such echoes were not sent to the Secretariat by the D.C in his

Comrs. of districts during the year is furnished in appendix XI of the annual administration report in addition to the institutions inspected by the Muzrai Comr. mistakes like the one referred to above are not likely to re-cur. It is not clear why the Muzrai Comr. omitted to mention the number of institutions inspected by the Dy. Comr. of Kolar Dt. in the administration report of the Muzrai dept. for the year 1936-37. (Vide para 3 of the report on this point). Submitted for orders.

With reference to your D.O. No.A2 C.Per A.35/36-37 dated 21-1-38, stating that necessary corrections may be made by Government, in their Review, regarding the inspection of Muzrai institutions during 1936-37, I have the honor to state that you failed to give definite information regarding inspection of Muzrai institutions. The para you refer to relates to inspection of temple jewels which are not all kept in the institutions. It is due to the lack of such definite information that Government made the inference in question.
